FEATURED SERIES CORNER

Hank the Cowdog

In case you missed it, Hank's at it again with his latest book, The Case of the Red Rubber Ball, just released last month. This is the 75th book in the *Hank the Cowdog* series and just as hilarious as the first. In this book, Hank gets in trouble with the town mutt, Roy, and Eddy the Rac keeps him on his toes, as always. Make sure to check your library's shelves for this latest addition.

Don't forget to check out the podcast series presented by Apple Podcasts with Matthew McConaughey as the voice of Hank. You can listen to a preview of each of the five episodes [here](#).

MY FAVORITE THINGS

Hasn't this year just flown by? It is hard to believe the end of the year is knocking at the door! My favorite time of the year is here - the holidays. This year will be a little different since it's hard to eat turkey wearing a mask and staying six feet apart. (lol) I wish everyone a great holiday season and hope you enjoy the time with your family, sending greetings to your friends through cyberspace. Continue to stay safe and keep washing those paws! Happy New Year!
